ONE HOT-ASS PLUMPER

Dear *Voluptuous*,

I just wanted to let you guys know that the layout of Maria Verbeck on the beach was great! You could see people in the background on a couple of shots, and that made it even hotter. I loved the picture with her clothes on. I wish you guys would do that more often—just one little pic at the start of the layout(s). It's cool to see what the ladies look like before they get naked.

The pictures with the bikini were so hot. At that point I had to go get the lotion. I love seeing the bigger girls in bikinis. The pics where she is oiled up have gotten me off many times. But, the best pic is on page 25 at the bottom where she is sitting on the wet sand with her legs spread. I just want to lay in front of her and bury my face in that wet, shaved pussy. Maria you are so hot. If you guys are going to do hardcore with her give me a call. My girlfriend wouldn't mind. Keep up the great work.—J.R., Wisconsin

ANOTHER CONFESSION FROM TEXAS DONNA

Dear *Voluptuous*,

It was Super Bowl Sunday, and my husband threw a party for the big

Posing nude is one thing. Posing nude with people watching from afar (look closely) is something totally...hot, according to the hundreds of V-men who loved Maria's April '06 debut.

For all of you guys who think the V-girls are pure fantasy, here's Devin DDD Taylor, out and about, showing off her favorite mag.

game. There must have been about 30 guys. I was wearing a low-cut, white, spaghetti-strap tank-top with NO BRA (I haven't worn one in 10 years). Every time I wear this shirt when I go out, I always get compliments on my tits because they really show a lot of cleavage, and one guy even said I have nice stretch marks.

During one of the commercials, one of the guys asked my husband if I

ever did any modeling. I think he recognized me from a magazine. He said, "Yes, she's been in *Voluptuous* and *XL Girls* magazines." They wanted to see them, so as they looked at them, I watched. I could tell they were really getting excited by looking at pictures, and it really turned me on.

All of a sudden, I remembered this wild fantasy that I've always wanted to do, and this was the perfect time for me to do it. I called over my husband and told him what I wanted to do. You should have seen his eyes light up picturing me getting covered with cum from all 30 guys. So, he went back and told the guys what I wanted to do. It didn't take them long to undress and get ready for me.

I come out wearing a skimpy bikini that only covers my nipples. This got them so horny that they started stroking themselves. I wanted to really get them hot and ready to shoot all that hot cum out on me, so I sat down on the floor and started pulling and stroking my long pussy lips and getting myself really wet. My rock hard nipples were throbbing from the thought of all these guys getting

turned on by me.

I did that for about 10 minutes when the first guy came up and shot several loads in my mouth and on my tits. It felt and tasted so good that I begged the other guys to give me more. It didn't take long after that until the rest of them filed into lines on either side of me and were giving me what I wanted. At times I had two guys shooting loads of hot, gooey cum into my mouth. When that cum squirted out and splattered all over my face and tits, my pussy had its own eruptions without me even touching it.

After it was all over, I was literally covered in cum, from my face to my knees, and they wouldn't let me wipe it off. When they left, my husband gave my sloppy pussy a good fucking, and for good measure he unloaded the biggest load I have ever seen into my eager mouth. You wanna talk about a Super Sunday. This was it!—“Donna,” Texas

THE PRETTIEST V-GIRL

Dear *Voluptuous*,

Ines Cudna certainly is the “fairest of them all.” I’ve been in lust with her ever since she first appeared in 2003, and I must say that her April ‘06 *Voluptuous* pictures are the best you have ever shown.

Ines has a wonderful smile and captivating eyes, and these pictures showed off her true beauty. I especially loved the playful pictures. On a few occasions in the past, it seemed that Ines was trying too hard to be sexy. Her latest pictures prove that all Ines has to do is pose naturally and she is stunning.—D.F., New York

Voluptuous Video Review: *Busty Fucks*

Five V-Girls And A Whole Lotta Fucking!

Review By CURLY REDWOOD

MIRANDA

You should remember Miranda from *Cream My Tits*, which was her first foray into adult video. The smoldering Italian isn't shy about showing us what's under her top or removing her 40DD bra. She says she wears that size so it will push her breasts together and make them look fuller. As if she needed the help.

Miranda spreads some lotion on her cans and then quickly peels off her pants to show off a tiny pair of panties. She leans forward and lets her boda-cious ta-tas hang down while she makes them sway back and forth. After the panties come off, Miranda rubs some lotion on her bald beaver, making it even softer than it was when she came into the room.

Miranda decides she needs a man and—*voila!*—one appears for her. She grabs the same bottle of lotion and applies some on her man's chest. Instead of rubbing it in with her hands, she uses her enormous rack. No hands allowed. This has to be the best massage technique known to man. Never mind Shiatsu. This is the Italian Ta-Ta style.

How many of you guys have ever gotten your cock sucked and fucked by a lusty Italian? Yeah, we thought so. Well, it's time to live vicariously with busty Miranda and her newest XXX hardcore video, *Busty Fucks*.

Being the full-service kind of girl she is, Miranda quickly moves lower and gets some saliva on her man's knob. The girl sucks cock with a rarely seen enthusiasm. It's as if all she is thinking about is getting his dick hard so he can cram it in her pussy. Before that can happen, though, Miranda stays on her knees to give our man a world-class tit-fucking. She appears to enjoy it at least as much as he does. The two switch positions, but stay with the tit-fucking, this time with Miranda on her back. This time it's more deliberate as her man slides his cock slowly through her cleavage and she gives a good suck on the head each time through.

Finally, Miranda gets what she needs—cock in her pussy. She immediately starts screaming for him to fuck her harder, and he goes in balls-deep to satisfy the lusty Italian's needs. Miranda stays on her back, her legs spread wide as her man's love muscle slams in and out of her pussy. You can see the extreme pleasure on her face as she begs him, "Don't stop."

He doesn't.

He does climb up behind Miranda, who gets on all fours with her shapely ass in the air for a good, strong fucking. Miranda takes everything he has to give her and is bucking back against him in search of more. Our man gives her a few swats on the ass as he continues to slam his dick into her bald hole.

Miranda then takes control, jumping up on her man's hard rod and giving

Two of the hottest nymphos on *Busty Fucks* are newcomers Panther (this page) and Tessa (opposite page). Panther has a body made for sex and a libido on over-drive. Tessa just loves cock in every one of her holes, and she gets a big one in her XXX hardcore debut.

Two names you know are V-girls Lilith (above) and Samantha Sanders (opposite page), who show why we keep bringing them back to fuck on film-porn just doesn't get any better than these two busty babes.

him a serious ride. She squats over his cock and thrusts her full weight down on it. Not long after, Miranda is on her side and her man is standing at the side of the bed. In between sucking and jacking his cock, Miranda pleads with him to cum all over her tits.

Soon enough, he gives her what she wants, spewing his seed all over her enormous rack.

SAMANTHA SANDERS

Right away, Samantha demonstrates some European hospitality as she welcomes us to her home. She's in Yorkshire. By her accent, you can tell that's in England. As soon as she said that, we had a feeling that a lot of guys were going to be shooting some pudding by the time this scene was over.

Samantha isn't exactly modest. She tells us that most men who come to her

apartment like to check out her "fantastic" breasts. "You must agree they are fantastic," she says, cupping the left one in her hand as she lies on her side. Who are we to disagree?

After all, Samantha's cans are a 32JJ, although it sounds like "Double-Jehhh" when she says it. Her top comes flying off, leaving two enormous hooters encased in a floral print bra. It takes Samantha a while to free her British Bulldogs, but then she gives them a hearty squeeze and plays with her nipples for a bit.

But that's just a tease. Samantha knows what else you want to see and gets on her knees on the bed so she can take her panties off. Then she tells us how she'd like to get you into her apartment, tie you to the bed and do with you as she pleases. Just then, our man walks in, and Samantha has the

cock she's been craving.

She vigorously jacks him off before acknowledging his need for a blowjob. Samantha leans over and takes his cock in her mouth while he plays with her right tit. She does the right thing and makes a grab for our man's nutsack as she works on his head.

Clearly, our man has been to school and is some sort of anatomy major. As he's sliding his cock in between Samantha's melons, he says "Big fuckin' tits." Thanks for that, my man, we almost didn't notice. Then he tells Samantha he's going to have to come to Yorkshire more often. Hell, we're moving there and getting an apartment in Samantha's building.

While kneeling in front of her man, Samantha plunges his swollen cock between her cans. After a decent

Mrs. Cunningham was the ultimate older woman, and she was also this college student's landlord.

Erotic Fiction By MICHAEL BRACKEN

I was living in a college dorm room for two years before I'd had enough. After a couple weeks of searching, I rented a small, furnished apartment over a two-car garage behind Mr. and Mrs. Cunningham's home about three miles from campus. The apartment had a bedroom, a bathroom, and a large room with a kitchen at one end, a living area at the other, and a table in the middle for dining. One of the apartment's best features was the high-speed Internet connection in the bedroom because I could do much of my homework on-line.

I had never lived alone before, and I quickly learned to appreciate the solitude. I also learned to appreciate those afternoons when I returned from class to find Mrs. Cunningham sunbathing on the back patio. Even though she was at least twice my age, Mrs. Cunningham retained the well-toned figure of a young athlete, and she displayed it without hesitation in a red, two-piece string-bikini that strained to retain her heavy breasts.

On more than one occasion, she came to visit me, and I sat in the other lounge chair discussing my computer classes. I had difficulty maintaining eye contact during our conversations, and whenever Mrs. Cunningham looked away, I stole glances at her long, lean legs, taut abdomen, stray blond pubic hair that peeked around the bikini bottom, and heavy breasts that threatened

to spill out of the tiny triangles of cloth that barely preserved her dignity.

"It's been a warm September," she said one afternoon. "Soon it'll be too cold to sit outside."

"That's a shame," I said.

"Really?" Mrs. Cunningham looked at me. "You actually like this weather?"

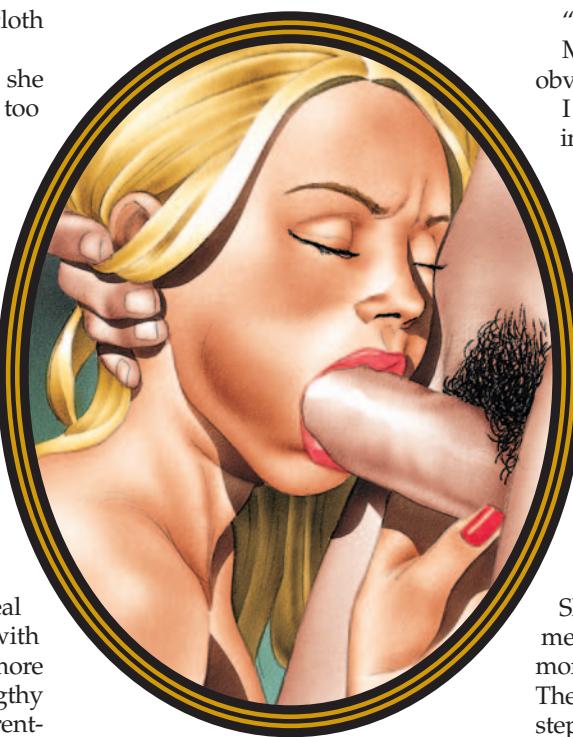

"I...Yes, it's quite pleasant. Not too hot, not too cold."

"This weather is perfect for sunbathing," she said. Her blue eyes twinkled with humor as if she knew the punch line to a joke I hadn't heard her tell. "When it gets cold, people find things to do indoors. You hardly ever see them."

"That must be it," I said.

Mr. Cunningham was a good deal older than Mrs. Cunningham, with deep lines in his face and hair more gray than black. Except for the lengthy conversation we had the evening I rented the apartment, I spoke to him only by accident. He worked long hours, was always gone before I left for class each morning, and usually didn't arrive home until long after I returned.

One evening I was on my way to the library to study with classmates when he pulled his BMW into the drive. As he climbed from the car, he greeted me with a joviality that seemed only half

sincere. He asked about my classes and made appropriate sounds as if he cared about the answers. Then he asked, "You like girls, don't you?"

I was taken aback. "Certainly. Why?"

"You never have company," he said. "I had my own place when I was your age, and it had a revolving door, one girl after the other."

"I'm not like that," I said.

Mr. Cunningham shook his head in obvious disappointment. "Too bad."

I didn't realize it when I first moved in, but late one afternoon in mid-October, after the weather had turned chilly and Mrs. Cunningham had stopped sunbathing, I found myself standing at my bedroom window staring across the backyard and through French doors into the Cunningham's second-floor bedroom. I was still standing there when Mrs. Cunningham entered the room. She'd obviously just stepped out of the shower because she had a towel wrapped around her torso and another wrapped around her hair.

She stepped to the window and saw me staring at her. She hesitated a moment before drawing the drapes. Then I saw the towel drop as she stepped out of my line-of-sight.

When Mr. Cunningham arrived home at five-thirty, he parked his BMW in the driveway and disappeared into the house. Forty-five minutes later, Mr. and Mrs. Cunningham exited the house. He wore a dark suit, and she wore a sexy, black cocktail dress that hugged her figure.

I was in bed when they returned from whatever social event had filled

their evening, and I heard them arguing from the time the car doors slammed to the time the side door slammed, trapping their argument inside the house.

The next morning Mrs. Cunningham was sitting at the bottom of the stairs when I opened my apartment door. She wore a white, terrycloth robe and fuzzy, red slippers, and she had a steaming mug of coffee in her hand. The robe gaped open in the front, and I could tell from my vantage point above her that she wore little or nothing under it.

"It's a beautiful morning, isn't it?" Mrs. Cunningham asked as I slowly descended the stairs.

"A bit chilly," I said. I could see her left breast with its constricted areolae

and turgid nipple. "You might want to go inside before you catch a chill."

When I reached the bottom of the staircase and could go no farther unless she moved or I stepped over her, Mrs. Cunningham looked up at me and said, "I really do miss our conversations."

"So do I."

She held up her hand, and when I took it in mine unexpected warmth crawled up my arm and made my balls tighten. As I helped Mrs. Cunningham to her feet, she spilled her coffee. Some of it splashed against my nylon jacket. The rest poured down my leg, and I flinched, dropping my backpack as I stumbled backward and sat down hard on the staircase.

Mrs. Cunningham apologized pro-

fusely and tried to use the corner of her robe to wipe the coffee from my thigh. The sash slipped free, and the robe fell open, confirming what I had previously suspected. She wore nothing at all beneath it.

"That's okay, Mrs. Cunningham," I insisted as I tried to scramble backward up the steps. Her hand had reached my crotch, a good six inches from where any coffee had spilled, and she had grasped my package through my jeans.

My cock began to swell, whether from her touch or from the sight of her heavy breasts, constricted areolae and swollen nipples, I'm unsure, and she smiled salaciously.

I stopped trying to pull away from her. "I...I need to change."

"Let me help," she said. "It's the least I can do."

After I nervously grabbed my backpack, Mrs. Cunningham followed me up the stairs and into my apartment. She closed the door behind us, and the robe immediately slipped off of her shoulders, becoming a terrycloth puddle on my carpet.

She took my hand and led me into the bedroom, where she helped me out of my clothes. When I stood before her completely naked, she looked me over, smiled and repeated something she'd said a month earlier. "When it gets cold, people find things to do indoors."

Then Mrs. Cunningham pulled me to her, smashing her heavy breasts against my chest and her pelvic mound against my rigid cock and kissed me. I didn't resist. I didn't even think of resisting. And I returned the kiss with every bit of the desire that I'd repressed since moving into the apartment.

I kissed her lips, her chin and her throat. I kissed her shoulder and the swell of her breast. I took one fat nipple into my mouth and suckled on it as I lowered myself to my knees. Then I buried my face in her pussy hair, taking a deep breath of her womanly scent before I snaked out my tongue and licked her swollen pussy lips. My tongue slid between her slick lips and quickly found her swollen clit.

Then Mrs. Cunningham grabbed the back of my head and ground her pubic mound against my face as I tongued her clit repeatedly. When she came, she came hard, practically suffocating me in her sex until she collapsed backward on the bed, her feet still on the floor.

"Fuck me," she insisted.

I grabbed her thighs and lifted her ass off the bed until the head of my cock

Yeah, we know the title of this contest is the BBC-II, and we implore all of you to look at the tits and make your decision based on totally subjective factors like who has the best nipples, biggest boobs, areolae you'd love to suckle on, shape, form or which babe tans up the best. Still, when you're talking about Lorna and Kerry, can you find any two better beach bodies than these two?

Both of these ladies are packing some major curves, which help to emphasize their incredibly large and perfectly shaped tits. Sure, there's probably some big, old mamma sitting on a porch somewhere, sucking on a straw, with whopper-sized boobs. But, she's about as sexy as a trash-can. With Lorna and Kerry, you get a Scarlett Johansson body with breasts that are not only big, they're...perfect.

For those of you new to all of this, look at that box down there to the right. That blue and red headline-thing pretty much tells it like it is. Whomever gets the most votes moves on. The other lady is going home to cry in her porridge. Yeah, it's harsh, but so is March Madness. Plus, if you think this month's battle is tough sledding, take a look at the brackets and the match-ups. Linsey Dawn versus Devon Daniels to close out 2006. Are you fuckin' kidding? Nope. And one of those living legends will face the same fate as one of these busty Brits. In The Big-Breast Challenge there can only be one winner. Even though every one of the 16 is worthy, we're gonna keep knocking off superstars until there's only one left. Who will the champion be? We have no idea, because that decision is entirely up to readers. Vote now! Lorna and Kerry are counting on you.

pressed against her pussy lips. Then I thrust forward, burying my cock deep inside her.

I drew back and pushed forward again and again, fucking Mrs. Cunningham so hard that her heavy breasts began to dance like gelatin. She crossed her arms, grabbing each breast in the cups of her hands to keep them still, as I continued pounding into her.

She came a second time, and then I came, firing a thick wad of hot spunk deep inside her throbbing love canal and holding her tight against me until my cock finally stopped spasming and slipped from her slick slit.

Mrs. Cunningham stared up at me, a smile tugging at the corners of her lips, until I finally released my hold on her thighs and lowered them to the bed.

I didn't know what to say, so I said the only thing that came to mind. "I need to get to class," I said. "I'm late."

After pulling on the first clothes I could find that weren't coffee-stained, I grabbed my backpack and hurried out of my apartment. I missed my first class of the day, but I could have cared less.

I don't know exactly when Mrs. Cunningham finally left, but my apartment was empty when I returned late that afternoon. My bedroom still smelled of her perfume and our coupling, so I opened the windows and let cold air circulate through my apartment, just in case her husband were to knock on the door.

My windows were still open when Mr. Cunningham returned home an hour later. I glanced out the window when I heard his car door close, and I saw a bottle of wine in one hand and a dozen roses in the other. I supposed he was apologizing for their argument the previous night, so I closed my windows, pulled my curtains closed, and buried myself in homework, hoping that my landlords would resolve their marital problems.

I couldn't have been more wrong. A week later, I returned home shortly after noon to find Mrs. Cunningham sitting naked in my bed, the sheet tucked around her waist. She had my *Norton Anthology* open in her lap, though I'm not certain which story she'd been reading because she closed the book and tossed it to the floor.

"You're late," she said. She flipped the sheet aside, and my cock twitched

at the sight of her. "I thought I might have to take care of myself."

I started to undress slowly.

"A little faster, if you don't mind," she said. "We don't have all day. I have a dinner engagement."

I finished undressing and slipped into bed beside Mrs. Cunningham. She made me lie on my back, and then she positioned herself between my wide-spread legs. She bent forward and took my cock into her mouth, spanking my swollen cock head with her tongue until it was coated with her saliva.

Then she slid upward and straddled me. As soon as she positioned my cock head against her pussy lips, Mrs. Cunningham lowered herself down and around my cock until my stiff shaft was buried deep inside her.

She leaned forward, dropping her heavy breasts in my face. I grabbed one in each hand and sucked on each fat nipple in turn until I realized I could turn her breasts inward and take both nipples in my mouth at once. As soon as I did that, Mrs. Cunningham moaned with pleasure and began riding my cock, pulling her hips upward and then slamming them back down.

She fucked me hard and fast, and

CYNTHIA

2006's Newcomer of the Year?

If we were to hold that contest right now, chances are Cynthia Romero would be the favorite to take the title. We kicked off 2006 with Cynthia's *Voluptuous* debut, and readers were already proclaiming her the Newcomer of the Year. With her encore pictorial, is there any doubt?

You know, we're sitting here trying to figure out what to tell you about Cynthia that will get you all hot and bothered, and it just isn't happening. We'd love to tell you that Cynthia talked dirty to us on the phone, and she does gang-bangs for American magazine readers by the bus-load. Again, it ain't happening. The truth is, Cynthia is adorably reserved, alluringly shy and simply a regular college student who is more likely to be a perfect wife and mother than a super-model. Hmmm, perhaps that's why we love her so much, we'd drink her bath water.

Voluptuous

Cynthia Romera

AUGUST 2006

So, what does *Miss Romero* (yes, she's eligible) think about all the hoopla over her swimsuit body, perfect tits and dugs-to-die-for? She was actually embarrassed by some of the readers' letters we forwarded her, but very grateful for all of the compliments. Hey, she wasn't even going to pose again until she read stuff like, "Give me more *Cynthia* or give me death." Now, this former "ugly duckling" (*Cynthia*'s own words, not ours) is thinking about her third pictorial. Thanks, guys! We've always said *Voluptuous* is the "greatest boys' club on earth," and the proof is where it's always been...in the pictures.

soon I was meeting each of her powerful thrusts with one of my own. I released my hold on her breasts and grabbed her hips, holding on so tight I was afraid I might bruise her.

I came first, firing hot spunk deep inside her, but she didn't stop until she pulled her breasts away from my face, arched her back, and started calling for the deity.

We fucked again a few minutes later, this time with me on top and her fingernails dug into my ass as she tried to pull my cock even deeper inside her. After we finished, Mrs. Cunningham left me in bed trying to catch my breath and returned to her house to prepare for her dinner engagement. Later, I

attached a lipstick-sized camera to the computer in my bedroom and made a brief introductory video for my web cam assignment.

Mrs. Cunningham had a key to my apartment, so there was no way to stop her from visiting whenever she pleased. She visited me in the morning, she waited for me after class, and she arrived unannounced late at night when her husband was out of town.

I did my best to please Mrs. Cunningham, doing things I had never done nor even imagined during previous sexual encounters with women more my age. Pretty soon, I stopped worrying about Mr. Cunningham and began to look forward to Mrs. Cunningham's frequent carnal visits.

The fall semester became the spring

semester. Before I knew it, the weather was warm enough for Mrs. Cunningham to sunbathe, only now she didn't always wear the string bikini in the privacy of her backyard, and I returned home more than once to find her naked on the lounge chair.

One afternoon she left her bikini next to the lounge chair when she followed me upstairs to my apartment. I quickly stripped out of my clothes and pulled her into my arms. I kissed her long and deep and hard, and then I spun her around. She bent over the bed, bracing herself against the mattress, as I took her from behind, shoving my cock deep inside her hungry twat. I grabbed her hips and held on tight, no longer worried if I left fingertip-sized bruises on Mrs. Cunningham as I fucked her.

As I pounded into her, her heavy breasts swung back and forth beneath her, and soon she was calling out to me, "Fuck me! Harder! Harder!"

As I fucked her, I looked up to see that my window was open. I had not heard his car, but I watched as Mr. Cunningham opened the French doors, stepped from their bedroom onto the balcony, and looked down at the lounge chair where Mrs. Cunningham had left her red string bikini.

Mr. Cunningham must have heard his wife's cries of pleasure because he looked toward my apartment and our eyes locked. Mrs. Cunningham was bent over in front of me, so I know he couldn't see her, but he could certainly tell what I was doing, and I wasn't about to stop. In fact, I started fucking Mrs. Cunningham even harder.

Mr. Cunningham turned and disappeared into the house.

A moment later, just as I slammed into Mrs. Cunningham for the last time and filled her love canal with a load of hot spunk, I heard footsteps pounding up the outside staircase and my apartment door crash open. I shoved Mrs. Cunningham forward onto the bed and turned before Mr. Cunningham crossed the living area. My cock was dripping cum when he burst into my bedroom.

I hesitated when I saw the revolver in his fist. That hesitation may have saved my life.

"You fucking son-of-a-bitch," Mr. Cunningham yelled as he took aim and deliberately squeezed the trigger.

The first shot missed my head by mere inches. The bullet shattered the window above the bed and rained glass upon Mrs. Cunningham.

I smashed my forearm into Mr. Cunningham's fist, and he fell onto the floor, unconscious.

To say Juliet is a horny gal is like saying there's water in the ocean. If you've seen her fuck on *Voluptuous Xtra* #11 or had the pleasure of meeting her, you know that Juliet is one nasty piece of poontang, and we write that as the sincerest form of flattery. And I'm not the type who is just going to lay there. Hell, no! You better be ready to fuck me to death, 'cause that's what I'm gonna do to you." We should all be so lucky.

Don't ya just love the way Juliet assumes all of the "fuck-me" positions? Trust us, if you think she looks good here, just wait'll you see Juliet assume these positions with a big dick deep in her twat. You wanna talk about some spankable shit. *Voluptuous Xtra #11*. MONICA

Here Comes One Bouncy Czech!

She may be fresh meat, but Monica certainly isn't gunshy. Not only does she get off howling like a rabid wolf at the full-moon, Dayton digs having her hair pulled and her tits kneaded like dough. And what boobs she has! Full, pendulous and bouncy with saucer-sized areolae primed and ready for some *Voluptuous* target-practice. Can you say "2006 Plumper of the Year?" You better get used to that phrase with this new Czech mate, because Monica is a contender right now.

BARE FACTS **MONICA**

Age: 23 **Birthday:** February 5, 1983 **Height:** 5'4"
Weight: 162 lbs. **Bra Size:** 38E **Measurements:** 44-32-38
Born, Raised and Lives: Prague, Czech Republic

The type of gal you see every day behind a desk, during the daylight hours Monica is an administrative assistant in her home-town of Prague. She wears conservative clothes, is all smiley when people walk through the door and perky on the phone. Most casual observers would think her nights consisted of e-mailing and watching videos. Not Monica. When the work-day ends, it's yabba-dabba-do-let's-go-screw time. Monica loves fetish clubs, swinger clubs and sex-shows. And, she isn't exactly a wall-flower. No, Monica jumps right into the action. Whether she's smacking some guy's ass with a riding crop while his face is buried in her tits or she's proving to people that plumper is better when it cum-s to fucking, this gal is gaining quite a reputation in the after-dark, Prague sex-scene culture. That's how we found her. One of our camera-guys watched her tit-fuck a guy on stage (yes, *she* did him, not the other way around!), and within an hour Monica was posing for these pictures. Then, she went right back to the sex-club for some more Czech-mating. The type of gal you see every day? We should all be so lucky.

Cunningham's wrist and the second shot embedded itself in the floor.

Then I rushed him, driving my shoulder into his abdomen and driving him backward into the wall. He pounded on my naked back with his free hand, but I grabbed his gun hand and held it as best I could.

The third shot went into the ceiling.

Mr. Cunningham managed to get the gun between us before he squeezed the trigger a fourth time. I heard the muffled explosion and felt a burning in my gut. I stumbled backward, covered in blood, thinking I had been shot.

When Mr. Cunningham collapsed to the floor, I realized I was covered in his blood. I had been burned by gunpowder when he pulled the revolver's trigger and the escaping gasses from the gunpowder erupted through the open area around the revolver's cylinder.

I collapsed against the wall and stared at Mrs. Cunningham until she crawled off the bed and made her way to the telephone in the kitchen.

I was still sitting against the wall when the authorities arrived. While one set of paramedics examined Mr. Cunningham and another examined me, the police peppered Mrs. Cunningham and me with questions, all of which I was able to answer once they allowed me access to my computer.

After Mrs. Cunningham's third visit, I'd been capturing my bedroom activities with my web cam and burning them to DVD for future viewing, using techniques I'd learned in my computer classes, and the police watched the last one with fascination.

Mr. Cunningham didn't survive the gunshot, the District Attorney ultimately decided not to prosecute an obvious and well documented case of self-defense. Mrs. Cunningham did, however, lose a wrongful death civil suit brought by her husband's relatives that diminished her wealth by half.

She used the remaining half to finance my Internet company after I moved into the main house with her, and now we're living happily ever after. Still, although our sex life is fantastic, I do miss the small apartment in the back. I'm not the only one. Every now and then, I come home and find Marianne waiting on the steps in her terrycloth robe. I never refuse her. There's still part of me that misses my old landlord, Mrs. Cunningham. ☺

VOLUPTUOUS CLASSIC

A flashback with Olivia Deville and “The Don” of '90s porn.

Right off the snap, we have to say, “They don’t shoot ‘em like this any more.” Some of you porn-fans who need everything right in your face are probably saying, “Thank gawd!” Still, for those of you who miss the old days when boy-girl was softer, and it was more about the boobs and less about the cum-shot, lock-n-load. *Voluptuous*-girl of lore, Olivia Deville is back getting her gorgeous titties worshipped by '90s porn stud (and present-day director) Don Fernando.

Olivia Deville was a big-tit mainstay in the early- to mid-'90s when silicone implants were everywhere. Suffice it to say, if you were a natural, you had to be packing to compete, and Olivia was.

Now long since retired from the big-tit porn scene, nobody has heard from Olivia in years. Alluringly vivacious and insatiably horny, Olivia's tits made her a star. But, it was her libido that made her a superstar. As for Don Fernando, he's still hanging around the porn world, producing and directing videos. We talked to The Don this past winter, and he told us that the jizz biz has changed dramatically from his days as a pistolero. When we mentioned Olivia Deville, he smiled during a moment of fond reflection and said, "That's what I mean. Where a lot of porn these days is work, that was fun. Olivia was fun. Girls like her don't exist anymore. She was one of a kind." We couldn't agree more.

BUSTY FUCKS

Continued from page 14

amount of tit-fucking, Samantha climbs up on the bed and takes her man's cock as far as she can into her mouth. After some delightful head, Samantha gets his balls in her mouth and sucks as if she doesn't want to let go. The whole time, our man is furiously jacking his man meat, working it to full hardness.

Soon, it's Samantha's turn. Our man slips a finger into her pussy and seems surprised to find Samantha is soaking wet. He then practically begs her to smack him in the face with her boobs. The action moves fast and furious as Sam pushes him back and lowers her rack over his cock for some more tit-fucking action. She gets nasty, spitting on his cock and encouraging him with some dirty talk.

As hot as it is to watch Samantha play "Hide the Cock in My Titties," the best part of this scene comes when our man finally gets behind Samantha and buries his cock in her pussy. Samantha is on all fours, and you can hear how horny she is by the howls and moans as our man fucks her hard.

He gives her ass a few smacks and you can see a bright red handprint on her right cheek as he continues to plunge his full length into her soaking wet box. They then move to a spooning position so our man can really get deep and fuck Samantha exactly how she loves it. He rams his man-meat deep in her hole as Samantha screams with delight, her massive mammarys bouncing all over the bed.

Just as Samantha is starting to look worn out, she climbs on top of her man's fuck-stick and goes for a ride. Her hairy bush makes her look old-school porn as we get a look at her bouncing up and down on her man's shaft. Samantha balances herself on one arm and takes a hard fucking just before they switch positions again.

Now, Samantha is on her back, her jugs jiggling as her man plows his junk into her snatch. It's obvious from her moans that she likes to get fucked hard. Finally, he pulls his dick out and jacks off onto Samantha's cans.

AMALIA PENNEY

Now, that's one lucky-ass, fucking apple!

Yeah, forget all that "you *Voluptuous* editors have got a great job" shit. We want to be reincarnated as that apple! Right between these whoppers! The boobs belong to Amalia Penney, an Argentinian retail clerk, the dugs look like they'd damage your eyes. But, hey, you can always wear contacts!

Discovered by one of our lensmen who was on a booty-hunt in Buenos Aires, our guy first noticed Amalia's ass at the clothing store where she works and thought, "Hmmm, BootyLicious." Then, she turned around. His jaw hit the floor, she helped pick it up and, *shazam*, all it took was one question to get this lover of all things horny in front of the camera. What did he ask? "You wanna pose nude for some American magazines?" We think his second question was, "Instead of money, would you take fruit?" Thankfully, Amalia agreed.

BARE FACTS

AMALIA PENNEY

Born, Raised and Lives: Buenos Aires, Argentina

Occupation: Clerk at a clothing store

Again, we gotta say it... "That's one lucky, fucking apple." It must be an Argentinian thing. Along with big, thick slabs of beef (or dildos serving as replacements), Buenos Aires gals must have a thing for apples. We're just guessing. One thing we do know for certain is that Amalia is so horny, it's a wonder that apple hasn't disappeared up her red, delicious piece. Another thing we know (because Amalia told us) is that she loves—absolutely *loves!*—to fuck tourists. American ones the most! Yeah, you can go ahead and put this issue of *Voluptuous* away for a moment, 'cause we're logging on and doing the same thing you are... *Expedia...dot...com!*

BUSTY FUCKS

Continued from page 76

Lilith we've ever known, but she's nothing like this Lilith.

First of all, this Lilith has a body on her. She has huge tits, a big spankable ass and a mouth made for sucking cock. The TV Lilith was more suited for reading a book about sex. This Lilith is made for being part of the illustrations in that book.

She climbs right into a hot tub filled with bubbles, where her man is waiting for her. Lilith quickly removes her bikini top and shows off her "ankh" tattoo. Her man seems obsessed with covering her cans in soap bubbles. It's all he does for a while—soap up her tits, rinse them off with a wet wash cloth and repeat. It's like shampooing, but with Lilith's mesmerizing rack instead of her hair. Maybe he was trying to analyze her rack. Fortunately for him, his watch is water resistant.

Lilith stays on her man's lap while he ties a towel around her boobs and plays with them. He's got a Guido look going with the gold chain, receding hair, moustache and soul patch.

Finally satisfied he has cleaned Lilith's boobs enough, our man starts sucking on her nipples. This causes one problem. Because Lilith is enjoying it so much, she's sinking down into the tub and putting her hardened nipples below the water surface.

Adjustments are made and soon after Lilith's bikini bottoms come off. She stands up in the hot tub, and her man slides a thumb into her hungry pussy. She stands there, fondling her breasts and bouncing up and down on his probing finger.

Lilith turns the table when they both get out of the tub, and she lays him on his back so she can wrap her big dumplings around his egg roll. Our man is uncircumcised, but Lilith quickly has his head poking out with some quality tit-fucking. Soon after, Lilith is riding the baloney pony and obviously enjoying the experience.

This is Lilith's best position. We can see the heft of her cans as she bounces up and down on her man. It's easy to see she likes to be on top, given the enthusiasm with which she rides. Our man helps by alternately burying his bone deep in her hot box when she gets tired.

They move to a standing position, with Lilith bent over and sucking on her nipples as her man bangs away at

her pussy. We get a nice shot of Lilith taken from below, just before she springs to her feet and spins around to jack her man off.

She implores him to shoot his spunk all over her beautiful boobs, which he gladly does. Lilith drains every ounce of guy-gravy this guy can muster before wrapping her flesh pillows around his cock one last time.

PANTHER

Panther is just flat-out hot. She's an African-American chick with a great smile, dick-sucking lips and a pair of tits that your man Curly would love to drop a load on. Okay, make it three loads. All we would need for a great weekend would be Panther, a couple dozen condoms, a bottle of Hennessy and the phone number of the nearest Chinese food place that delivers. Maybe the editors can make that happen as part of Curly's Christmas bonus. A few letters to the editor couldn't hurt.

But for now, the dream will have to suffice. At least we can all watch Panther get it on with this lucky prick, who claims she's his first black girl. Your man Curly used that line twice—to get my second and third black girls into bed. And, yes, I went back-and forth.

Anyway, Panther is just built for sex. It doesn't take long before she's sucking on her man's cock and then sliding it between her titties to start off this interracial romp. Panther isn't quite as busty as the other girls in this video, but she's got more than enough to get the job done.

Panther certainly does a great job of getting her man to moan with those jugs of hers, making his cock disappear in her chocolate valley. She then lies back and has her man impale her throat. He crams in several inches

before Panther tea bags him, always a nice touch.

Finally, it's Panther's turn. She lowers her bald cooze down on her man's stiff rod and goes into a riding frenzy. She throws her head back and just slams her pussy down to the base of his cock over and over. The sex is so frenetic and wild that it's amazing her bouncing tits didn't cause an injury. If you can get through this scene without shooting your load, you're not human.

You can see the sweat and determination on Panther's face as she rides hard, almost to the point of exhaustion. She gets her break when she flips over onto her back and her man rails her with every inch he has. Panther has her legs spread wide to accommodate him and she alternately fingers her clit and licks her nipples while her man hammers her.

Just when it looks like Panther's gas tank may be getting close to empty, she climbs aboard again for a reverse cowgirl ride. Like her first time on top, it's one wild ride. Panther just wants to jam as much cock into her pussy as she can. That happens yet again when she bends over the sofa and gets fucked hard from behind. She turns around in time to take gobs of spunk across her lips, letting it drip down her chin.

TESSA

Tessa is a tutor. You can tell because she's wearing glasses, and when was the last time you saw a porn star wearing glasses?

Clearly, Tessa is dedicated to teaching the less fortunate. How else can you explain why she goes so far out of her way to teach a fellow student about anatomy? This guy must have the IQ of a houseplant. Not only doesn't he understand anatomy, but he says it's "boring" while sitting next to one of the more impressive anatomies you're ever going to see,

Sensing her student is in a crisis, Tessa tells him she will teach him anatomy using the personal approach. He can use his hands to touch various parts on her body that he names. "I try to make learning fun," Tessa says. She sounds like Teacher of the Year material to us.

She sits on her student's lap away from him, and he has his first right idea since she came over. Tessa suggests he does some homework, and he goes right for her pussy. As he massages, he sucks on her right nipple. Tessa takes care of the left one.

The anatomy lesson is going quite

well, but it gets even hotter when Tessa's student reaches down and finds her swollen clit. Suddenly, Tessa is bucking around and feeling good. Girls with glasses may never get passes, but they do get a couple of fingers in their pussies.

Tessa follows by slamming her DDs into our man's face. She pauses for a moment to let him suck on her firm nipples, and then tries to smother him with her jugs. As Tessa does that, she reaches down and starts stroking his cock. Fortunately, Tessa doesn't have to tell him which part of the anatomy his cock is. No matter how many times you fail science, every guy knows that pretty much from birth.

While most students just bring an apple, our man brings Tessa something much more filling. She wraps his bone between her boobs and pumps away at it before jamming several inches into her mouth. Then she decides to teach him something new and switches around so she can sit on his face while sucking on his cock.

Next on Tessa's lesson plan is to have her student experience what the cock can do. Never mind that the two of them appear to be in college, which means his fuck stick should have gotten a few previous workouts. Just go with it. The sex gets pretty hot.

Tessa starts bouncing up and down on his junk and moaning like she has never had cock in her life. Meanwhile, the chair they're sitting on is creaking so loudly you expect the couple to crash to the floor when the chair collapses. Tessa yells instructions to her student, designed to enhance the learning process, such as "Yeah, baby, fuck my pussy."

She leans back and massages his balls as she slowly rides his junk.

Tessa then has her student fuck her doggie style, screaming as he slams his bone deep inside her. Then she moves onto her back while perched on a chair and leaning her elbow onto the bed and encourages some short stroking as her student also rubs her clit.

Take it from a guy who has seen a lot of anal videos, this scene on *Busty Fucks* has some of the hottest, raunchiest, horniest ass-fucking ever filmed. And when Tessa's student delivers a torrent of spunk, she rubs the gooey cum into her big, horny-girl-next-door tits. This guy definitely made the grade. And so did Tessa.

As for *Busty Fucks*, it definitely gets this paid (but objective) reviewer's top grade of two boners way the fuck up! ☺

She's a V-girl, in every sense of the word!

We know you all are digging Anastaisa's tits right about now. But, have you all noticed how fresh-looking her body is? From her pretty face to her tight twat to her firm breasts right down to her perfect brown-eye, having sex with this gal would be like hitting the time machine back to *your* barely legal days. You don't have one of those, either? That's what *Voluptuous* is for.

We just can't get enough of gals like Anastaisa, so we're heading back to page 11, jack-naps in hand, and we're going for another go 'round. Then, we're gonna watch some hot-ass porn starring Anastaisa.

And we're gonna turn the volume up real loud so we can hear her squeal with every stroke and scream out all of those fuck-sounds when she cums. PULL-OUT SECTION

All righty, boys, drop your socks, grab your cocks and forget about that Spanish Fly. You're not gonna need it this month. *Voluptuous Xtra* is in your house, and our busty nurses have the cure for your seven-inch itch. In the dark hair, worshiping that cock (to the left) is Lilith. To her right is Annie Swanson. Together, they're a hard attack waiting to happen!

This is a scene from *Ultimate Annie Swanson*, a video that is hot-as-balls, but its title is so deceiving. With Annie taking a pro pistolero balls-deep in MANY scenes, including this one where she and Lilith are having their own who-can-cum-the-most contest, the video oughta be called something like...Stick That Fat Nine-Incher In My Tight Twat And Cum All Over My Big Tits. Then Do It Again, And Again, And Again Until I'm Walking Bow-Legged. Okay, so it's a bit wordy, but you wanna talk about truth in advertising. There it is!

One thing we love about both Lilith and Annie Swanson is the way their tits bounce all over the place when they're getting skewered. But, have you guys noticed how Annie's pussy just hugs that guy's cock? Lilith confessed to us that she gets big dick all the time. But, Annie? That fold of love-wrapper that slides up-and-down our stud's dick is a dead give-away—Annie's got a snapper pussy that ain't used to the whoppers. So, when we stuffed Annie's snapper with the biggest slab of man-meat she has ever had, well, you get the picture. Annie goes ballistic and gets off on every fucking inch!

BUSTY COCK CRAVER

May '06 *Voluptuous-girl Sabryna Stone loves dick—as much as she can get down her horny throat!*

Yeah, we know Sabryna makes her XXX video debut in *Busty Cock Worshippers*. But, Sabryna doesn't just worship dick. She craves it like most of us go for oxygen. The bigger and deeper (down her throat) the happier Sabryna gets. Trust us, this month, she's downright giddy. Not only is she getting her pretty face fucked like a hooker trying to make rent, but Miss Stone's pussy is gonna get pounded by rock-hard man-tool, and her perky-with-lust nips are going to get splattered with guy-goo. What does Sabryna think? She's speechless. But, can you blame her? Could you talk with this schlang in your mouth?

We knew Sabryna was going to be a hot fuck the second she walked into our studio. When a lady is this pretty and bodied-up, we basically kiss our lucky asses when she agrees to pose solo. When her first words are, "So, when do I do hardcore?" hell, we'd fuck our own asses to hear that question out of every woman.

Fortunately, we didn't have to take *that* plunge to get Sabryna face to face with a cobra-headed-yogurt-spitter. All we had to do was yell "action!" and enjoy the show. Sabryna took care of everything else. And now we get to share our good fortune with all of you. Is this a great job, or what?
